In My Backyard

Let me welcome you all to my backyard
What will you find in my backyard
Open your eyes and begin to explore
The wonders of life in my backyard

You can play, you can swing, in my backyard
Hear the world sing in my backyard
What do you see in the clouds in the sky
When you lie on the ground in my backyard

Fred Penner

All I Really Need

All I really need is a song in my heart
food in my belly
and love in my family
All I really need is a song in my heart
and love in my family

And I need the rain to fall
And I need the sun to shine
To give life to the seeds we sow
To give the food we need to grow

And I really need is a song in my heart
and love in my family

Raffi

Macaroni and Cheese

My mom calls me a picky eater,
But really... I like all kinds of food.
Like cheeseburgers, pizza and spaghetti,
Or chicken fingers if I'm in the mood
But there's one thing I like better'n all of these
I wish that I could always eat macaroni and cheese

Macaroni and cheese! Macaroni and cheese!
Won't you make some for my dinner pretty please?
You say that greens are good to eat
You say that greens are good to eat
But they don't taste good to me
Won't you please make macaroni and cheese?

Andrew Queen and Karen Stille

ELEMENTARY SCHOOL – CLASS 65

Class 65 – Section __: HANDWRITING – Continued

- **Section 09: Grade 7** – Write this poem once in blue ink:

Winter

Oh the great Canadian Winter
Is not so very cold.
I once knew a kid who didn't freeze
Until he was ten years old.

And just last year in Ottawa,
When they cleared away the ice,
They found two people still alive
And they said Winter was nice.

On Baffin Island the Inuit
Go swimming with polar bears.
Of course they always come back dead.
That's why they go in pairs.

So don't stay inside when it's snowing
Don't stay inside when there's ice.
Go out and get frozen like a brick,
And then you'll think Winter is nice.

Robert Munsch

- **Section 10: Grade 8** – Write this poem once in blue ink:

One Elephant

One elephant went out to play
Upon a spider's web one day
He had such enormous fun
That he called for another elephant to come.

Deux 'elephants allaient jouer
Sur une toile d'araignee
Ils s'amusaient tellement bien
Qu'ils appelaient a un autre, viens!

Three elephants went out to play
Upon a spider's web one day
They had such enormous fun
That they called for another elephant to come.

Quatre 'elephants allaient jouer
Sur une toile d'araignee
Ils s'amusaient tellement bien
Qu'ils appelaient a un autre, viens!

All the elephants were out at play
Upon a spider's web one day
They had such enormous fun
But , there were no more elephants left to come!
