Macaroni and Cheese

My mom calls me a picky eater,
But really... I like all kinds of food.
Like cheeseburgers, pizza and spaghetti,
Or chicken fingers if I'm in the mood
But there's one thing I like better'n all of these
I wish that I could always eat macaroni and cheese

Macaroni and cheese! Macaroni and cheese!
Won't you make some for my dinner pretty please?
You say that greens are good to eat
But they don't taste good to me
Won't you please make macaroni and cheese?
